Canada: www.plurison.com/contactus.htm

Astronomically gifted.

"Was I ever surprised....the picture practically jumped off the screen, with outstanding detail, good color and equally impressive black levels. The picture from the Starlight 1 was gorgeous"

Tom Norton - Home Theater

StarLight  MSRP: \$6,995

- 1080P - LCoS projector
- Individually calibrated
- Whisper quiet
- Optional anamorphic lens
