

DreamVision **DreamWeaver 3**

Home Cinema Projector
Featuring
720p DARKCHIP 3™

DreamWeaver 3

Projection system	New Texas Instruments DarkChip3™ 720p DLP
Resolution	1280x720 16:9
Enhancement	New Faroudja DCDi™ FLI2310
Optic	Carl Zeiss Projection Lens: F/2.7 (wide), F/3.1 (tele)
Throw Ratio	1.67 - 2.08:1 (distance/width)
Color Wheel	7 segments (RGBRGBG)
Contrast Ratio	3000:1 full on / full off
Lamp	Dual mode : 220W UHP (3000 hours)/250W UHP (2000 hours)
Brightness	1200 lumens
Colors	16.7 millions simultaneously displayable
Installation	Front, Rear, Table, Ceiling (Ceiling bracket in option)
Keystone Correction	Digital up to +/- 20° vertical, +/- 9° horizontal
Inputs	2 x components - gold RCA 2 x S-VHS - Mini Din 4-pin 1 x Composite Video - RCA 1 x DVI (M1-DA) - DVI HDCP or HDMI compliant with optional adapter 1 x 15-pin D Sub (HDTV component/RGB, computer) 1 x RS232 control - 9-pin D Sub 1 x D5 (component) 1 x IR Repeater (Niles / Xantech compatible) - 3.5 mm mini-jack 2 x 12 V trigger - 3.5 mm mini-jack
Video Compatibility	Component and RGB HDTV (720p, 1035i, 1080i, 1080p-24Hz) Component EDTV (480p, 576p progressive scan), SECAM: M, Component, composite and S-Video standard video (480i, 576i, 576i RGB SCART with adapter, NTSC, NTSC M 4.43, PAL: B, G, H, I, M, N)
Size	Ø439 mm - Height 127 mm
Weight	4.4 Kg
Audible Noise	25 dB
Remote Control	Infra-Red remote control
Options	Ceiling bracket horizontally and vertically adjustable in white or black finish M1DA to DVI adapter M1DA to HDMI adapter
Cabinet colour options	Silver, White or Black

Live your Home Theater dream with DreamVision's new projector

The new DarkChip3™ DLP of Texas Instruments brings vibrant colours, natural flesh tones, unbelievable details even in dark scenes and an amazing contrast ratio of 3000:1.

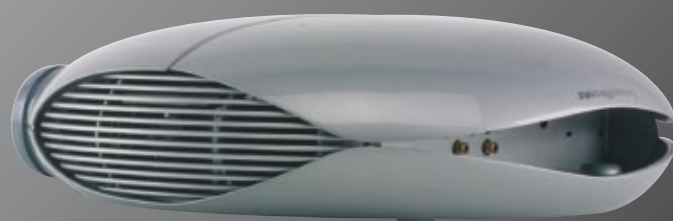

With its 720p resolution and a generous connectivity (fully compatible with DVI HDCP and HDMI), the DreamWeaver 3 is 100% ready for High Definition TV.

The DreamWeaver 3's state-of-the-art rounded chassis greatly prevents air turbulence, thus reducing its operational noise almost below audibility (<25 dB). You'll hear no more annoying fan noise during the quiet sequences of your favourite movies.

Cables are now hidden from view thanks to a clever cable management system.

The Carl Zeiss projection lens and a powerful lamp ensure an optimal 1200 lumens brightness.

DW3 exists in three different colours : white, black, silver.
